**SELECTED RESOURCES**

**E Business**

**ALMANACS**

**E BOOK:**
*Plunkett’s E-Commerce & Internet Business Almanac*.

Provides industry reports, sector analysis and research, industry trends and industry statistics.

**E-BOOK:**
*Plunkett’s Online Trading, Finance & Investment Web Sites Almanac*.

Profiles hundreds of internet sites operated by leading data and services providers, exacting descriptions of internet sites that contain information regarding: investments, trading, stocks, bonds, commodities, financial services, banking, financial planning, mortgages & insurance and investment banking.

**DATABASES**

**Academic Search Premier**

Provides access to journal articles covering a wide variety of subject headings.

**Business Source Premier**

Provides more than 3,600 full text scholarly publications, including more than 1,090 peer-reviewed journals, including e-business.

**Lexis-Nexis Academic Universe**

Provides access to a wide range of news, business, legal and reference information.

**DICTIONARIES**

**E-BOOK**

Defines important terms and phrases relating to e-business to the context of design, development and usage.

**REF. HD30.335.H39 1995**

Provides definitions for those working to understand electronic commerce. Definitions are based on usage in both general and technical sources – books, seminar materials, government publications, magazines, and web sites.

**ENCYCLOPEDIAS**

Provides answers to questions about website development, financing, advertising, and more. Features 470 essays covering topics and terms, profiles of the top e-commerce companies, biographies of e-commerce innovators, and coverage of events and legislation related to e-commerce.

**HANDBOOKS/MANUALS**

**E-BOOK**

Provides significant insight into how to manage and control large volumes of data.

**E-BOOK**

Provides guidance in creating a wireless Web – lack of clarity in defining a wireless Web; maintaining development and deployment momentum; and a lack of knowledge of the technical, political, and legal constraints associated with working in the wireless Web space.

**E-BOOK**

Provides all the plain-English information, instructions and forms needed to place a business on the internet.

**REF. HF5548.32.H36 2000**

Examines the electronic exchange mechanisms of the emerging digital economy.

**VIDEOS**

**MEDIA: QA76.9.A25F673 1997**

Examines the world of technological crime, including security measures in electronic commerce and other business enterprises.
