

The mission of the Career Services Center is to aid and assist the students and alumni of Southern University in developing, evaluating, and implementing career plans. The center, in partnership with local and national corporations, also provides opportunities for qualified applicants to secure internships and post-graduate employment.

Overview of Services

Services for Our Employers

Establishing name recognition for your organization on any campus can be challenging as it requires varied approaches and strategies at every university and institution of higher learning. We offer a range of options and services to assist employers accomplishing their goals:

“Preparing Futures Today”

Sponsorship Levels

We are Developing Minds, Changing Lives and Preparing Futures Today

Dear Employers:

The Career Services Center at Southern University and A & M College has developed an annual Corporate Sponsorship Program. **The Jobs4Jags** Corporate Sponsorship Program provides opportunities for employers who want to maximize their recruiting efforts. The level of sponsorship is an annual commitment with benefits which include website presence, on-campus recruiting preference, and expanded campus exposure to Southern University students, alumni, faculty, and staff. The Career Services Center strives to develop collaborative relationships with students, alumni, employers, and student services to further enhance our students' career and academic development.

We understand the important role employers play in helping our students convert their career vision into reality. **The Jobs4Jags** Corporate Sponsorship will provide you a chance to give recognition to your organization among hundreds of others. Your sponsorship will go towards student development both professionally and academically. For further assistance, visit our website at www.subr.edu/careerservices or please contact us directly either by phone at 225.771.2200 or email careerservices@subr.edu.

Thank you in advance for your consideration of our program. The Career Services Center looks forward to partnering with you through this exciting and unique program. We appreciate your continued support.

Sincerely,

Tamara Foster-Montgomery

Director
