REAL TALK TUESDAYS

Real Talk Tuesdays Speaker Series programs are geared toward first time freshmen and transfer students to motivate, educate, and enlighten on all things Higher Ed, personal and professional growth. We have invited four dynamic speakers/presenters to share their experiences and wisdom to support our student's first year at Southern University. Each speaker will have the opportunity to present in a workshop format at 1:00pm on Tuesdays and will then host a Question and Answer discussion that evening at 5:00pm.

REAL TALK TUESDAYS STUDENT TESTIMONIAL

WHITNEY DAVIS-CLASS OF '25

"The talk with Ms. Hall was very comforting and REAL! She touched on letting us know that we are great and we should never doubt our success. She definitely made me feel worthy and comfortable with my accomplishments."

@fye_subr (Instagram)

"WE ARE GREAT AND WE SHOULD NEVER DOUBT OUR SUCCESS"

KEYS TO SUCCESS WORKSHOPS

EVERY WEDNESDAY AT 5PM

Keys to Success Workshops are hour long presentations coordinated and planned by University College Ambassadors to educate and inform first year students on college preparatory skills. The workshop topics were chosen through research and focus groups from first year students that they believed were the most challenging during their first year at Southern.

@fye_subr (Instagram)

"The Keys to success workshops are here to remind students that failure is a gateway to the path of success."

-Avis O. Chaney, Director of FYE/SYE Programs-University College
