International Student Information Fall 2018

The International Students Office was established to assist the F-1 International Students in meeting various U.S. Citizenship and Immigration Services (USCIS) requirements throughout the study period and provide information designed to facilitate the adjustment of International Students to live in the United States and Southern University. The International Students Office serves as the final phase once the International Student has been admitted into the University (Undergraduate Admission Office and Graduate School Admission Office) by determining their compliance with the University and/or U.S. Government regulations, laws, policies and their ability to finance their program at Southern University and A&M College.

Our international students are very diverse and originate from countries all around the world, such as:
