## **E-Scooter and Micromobility Policy**

Dear Residents,

Please be advised that electronic scooters are **not permitted inside the residence halls**. This policy is being enforced due to **extensive damage to university property and ongoing safety concerns**, including fire hazards, blocked exits, and risks to residents and staff.

Effective immediately, electronic scooters **may not be stored, charged, or operated** within any residence hall spaces, including individual rooms, hallways, stairwells, or common areas.

If you choose to bring an electronic scooter to campus, you must have a **plan to store it outside of the residence halls** in an approved outdoor area. Residents are responsible for ensuring their scooters are secured and do not obstruct walkways or building entrances.

Failure to comply with this policy may result in confiscation of the scooter and/or disciplinary action in accordance with housing and university regulations.

Please reference the University E-Scooter and Micromobility Policy for full details.

Thank you for your cooperation as we work to maintain a safe and respectful living environment for all residents.
