**BIBLIOGRAPHIES**

**DOCUMENTS: A 17.27/3.5**  

**DOCUMENTS: LC 33.10:03-02**  

**Z 5991. F67**  

**DICTIONARIES**

**REF. S411.L39**  

Provides typical dictionary entries for some 15,000 terms used in the wide range disciplines that contribute to modern agriculture.

**REF. S411.H476**  

An up-to-date, authoritative source of over 15,000 dictionary terms and definitions. Coverage includes animal science, forestry and natural resources management and plant science.

**REF. S411.D573**  

This dictionary provides a comprehensive vocabulary of terms in agriculture, horticulture, forestry and other related areas.

**REF. SD126.D535**  

Dictionary that will help students, professionals and the public and all those interested in the science, management, and conservation of forests.

**INDEXES**

**REF. SD393. E26**  

Selection of the most significant journal essays in forest

**AGRICOLA**

Database of bibliographic records created by the National Agricultural Library: [http://www.nal.usda.gov](http://www.nal.usda.gov). This database includes the Journal Article Citation Index.

This index includes citations, many with abstracts to journal articles, book chapters, and reports, reprints selected primarily from the materials cataloged.

Contains comprehensive information about the use and abuse of nonhuman animals by our own species. Also deals with complex issues on animal welfare and rights,

**HANDBOOKS/MANUALS**

**REF. SD 401.5 T76**  

Comprehensive text devoted solely to seed for commercial forestry species. Provides information necessary for organizing seed collections.

**REF. S591. H23**  

A comprehensive reference work on the discipline of soil science. A resource rich in data which will provide soil scientist, agronomists and students with their point of interest into a particular aspect of soil science.

**REF. SB 736. S836**  

Handbook written for anyone interested in plant pathology as a science. Students seeking higher education in the plant sciences will be interested.

**REF. SD 387. S87 U67**  

This handbook is about certification of forests. It provides an incentive to urban forestry students to raise the standards of forest management.

**ENCYCLOPEDIAS**

**REF. Q 121.M3**  

This encyclopedia contains articles based on advances in knowledge, new technological applications, and the needs of the reader.
